

## School uniform:

This is being introduced in the school in 2016 for the first time since the inception of the school.

Our policy is based on the belief that a school uniform will:

- promotes a sense of pride in the school
- engenders a feeling of belonging
- is practical and distinctive
- identifies the children with the school
- is not distracting in class (as fashion clothing might be)
- makes children feel equal to one another in terms of appearance
- reflects the sense both of community and of diversity that the school takes pride in
- is regarded as suitable and good value for money by most parents

Uniform sizes range from 3 year olds to 18 year olds, with small variations. Student can combine any two, at his/her choice. The colors of school uniform are green .Please see below de uniform code and pictures for MIS students the age in (blankets).
